

STER-SAN PV

Heavy Duty Cleaner Disinfectant and Sanitizer

- *Detergent/Disinfectant*
- *Sanitizer*
- *Virucide*
- *Deodorizer*
- *Mildewstat*

Description

STER-SAN PV is formulated to disinfect inanimate hard surfaces such as walls, floors, sink, tops, toilet bowls, tables, chairs . For larger areas such as patient care facilities and restrooms, the product is designed to aid in heavy duty cleaning and disinfecting. STER-SAN PV is designed to aid in controlling the hazard of cross contamination in areas where heavy duty cleaning is necessary. In addition, STER-SAN PV deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage area, empty garbage bins and cans, toilet bowls and any other area which are prone to odours caused by microorganisms.
