

Tack-Fully-Clean

Leather Cleaner & Conditioner

Deep cleans embedded dirt, grime and protein residues.
Conditions Leather with carefully selected emollients

Description

Tack-Fully-Clean leather cleaner and conditioner is especially formulated with carefully selected emollients, humectants, proteins, natural vegetable-based surfactants and conditioners in just the right proportion to effectively clean, condition and preserve the strength, beauty and resiliency of both new and old leathers. Cleans and conditions all types of leather and vinyl surfaces.

Product Features

- Water repellent treatment that helps prevent stains and water spotting
- Won't darken the leather or become tacky or sticky
- Safe on dyed leather surfaces.
- Won't bleed onto clothing from treated surfaces.
- Leaves a fresh leather fragrance.
- No unpleasant odor
- Contains no silicone or heavy waxes
- No greasy after feel.

Applications

Leather saddles	Handbags
Leather Furniture	Shoes
Car Interiors	

Physical Properties

DIRECTIONS: For regular maintenance spray Tack-Fully-Clean on a clean sponge or soft cloth and apply to leather. For dirty leather spray directly on leather and wipe away lifted soil. Use sparingly as a little goes a long way. It is not necessary to wipe completely dry as the natural oils will continue to condition the leather.

White Opaque Liquid with fresh scent
Neutral pH
Non-toxic and Biodegradable
