

STER-SAN PV rtu

All Purpose Disinfect and Cleaner

• *Disinfectant* • *Cleaner* • *Deodorizer* • *Sanitizer*

Description

Ster-San PV rtu is a ready to use designed specifically as an environmentally safe, all purpose, non-acid cleaner, disinfectant and deodorizer. It stops the spread of contamination, contagious germs and micro-organisms, while providing maximum cleaning power to both heavily and lightly soiled areas. Ster-San PV rtu cuts through tough grease and grime, destroying bacteria and odor causing germs. For use in hospitals, nursing homes, schools, hotels and restaurants as well as for use in industrial and institutional food processing establishments, kennels, veterinarians and animal hospitals. It is formulated to disinfect hard non-porous, inanimate surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets

Sizes: 12x1 litre; 4x4 litre; 20 litre; 210 litre
