- Water repellent treatment that helps prevent stains and water spotting.

## Applications

- Riding Saddles
- Leather Tack
- Boots
- Leather & vinyl furniture

## Directions

For regular maintenance, spray a small amount on a clean sponge or soft cloth and apply in a circular motion to leather. For dirty leather spray directly on leather and wipe away lifted soil. It is not necessary to wipe completely dry as the natural oils will continue to condition the leather. Treat new leather gently.

*\* As with all leather care products, test a small inconspicuous area first.*

## Ingredients

Carefully selected emollients, moisturizers, natural vegetable-based detergents, and conditioners. Contains no silicone or heavy waxes.

## Properties

- White Opaque Liquid
- Fresh scent
